Dear Chris

A short note to say thank you for all you and your staff' efforts with the sale of my half share in the practice. It wasn't the easiest of ventures, selling with a partner who wished to stay in situ, in the middle of a recession, but we got there in the end. Your collective reassurance and advice throughout was much appreciated. The liaison re potential purchasers was very efficient and discrete, and in the end I think the right person ended up with the practice. They are certainly fitting in quite nicely by all reports.

I can certainly recommend your services.

Yours sincerely
