Dear Sir,

I am delighted to be able to supply a letter of reference for David Brewer. When David was Healthcare Business Development Manager at RBS I had professional dealings with him for a number of years. In that period of time I felt his knowledge of dentistry coupled with his financial acumen invaluable. The measure of the man is that he will offer support when you really need it. The fact that David has now left RBS and that our relationship is still strong speaks volumes. I do hope this reference is helpful. Please do not hesitate to contact me if you have any further questions.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'D Brewer', with a stylized flourish at the end.
