Dear Mr Stevens

I wish to express my sincere thanks to you and your team in achieving a sale of my practice.

From valuation to marketing to advice when dealing with potential buyers and finally to recommending dental specialist solicitors, your organisation handled everything extremely well. In today's climate, a sale is a complicated and stressful affair. However, with your assistance, everything went very smoothly. And to top it all you have thrown in a free week in a luxury villa in Florida to celebrate!

I have no hesitation in recommending your organisation to other potential vendors. I have no doubt that potential buyers are also treated with such competence.

Thanking you once again.
